Milton S. Hershey 1857-1945

Founding the Hershey Industrial School in 1909 upon the same basic principles and beliefs of our national founding fathers, Milton S. Hershey began one of the greatest educational institutions of all times, the Milton Hershey School.

Our Founders Passed on to Us

With a spirit of dedication to their cause, men like George Washington, Benjamin Franklin and Thomas Jefferson led the American Revolution toward the ultimate goal of freedom for all Americans. That same spirit exists two hundred years later in many walks of life and in the hearts of millions of men and women. Milton and Catherine Hershey possessed this same desire for a better life, and that is reflected in our School today. Let us, therefore, on our two hundredth birthday, rededicate ourselves to the same cause which got this country going in the beginning.

THOMAS JEFFERSON

BENJAMIN FRANKLIN

GEORGE WASHINGTON

Catherine Hershey 1872-1915

Catherine Hershey shared a dream which eventually brought Hershey Industrial School. It was her spark, like the spark of our American patriots, which lighted the lives of many American young men and guided their feet toward a better life.

A Priceless Gift - The Future

Excerpts from Deed of Trust

ALL orphans admitted to the School shall be fed with plain, wholesome food; plainly, neatly and comfortably clothed, without distinctive dress, and fitly lodged. Due regard shall be paid to their health; their physical training shall be attended to, and they shall have suitable and proper exercise and recreation. Each and every scholar shall be required to learn, and be thoroughly instructed in some occupation or mechanical trade, so that when he leaves the School on the completion of the period for which he is to remain, he may be able to support himself....

The School shall be non-sectarian, but the moral and religious training of the scholars shall be properly looked after and cared for by the Managers. No favoritism shall be shown by the Managers to any particular sect or creed. Each scholar shall be taught to speak the truth at all times, and each and every scholar shall be thoroughly trained to habits of economy and industry.

A dream come true—a senior receives his diploma.

With the signing of the Deed of Trust on November 15, 1909, Milton S. Hershey and his wife Catherine S. Hershey entrusted to the Board of Managers the care of the boys of Milton Hershey School. Major decisions pertaining to the school are made by these men, some of whom are graduates of the School. Concern and dedication to Milton Hershey boys are evident in the programs they initiate.

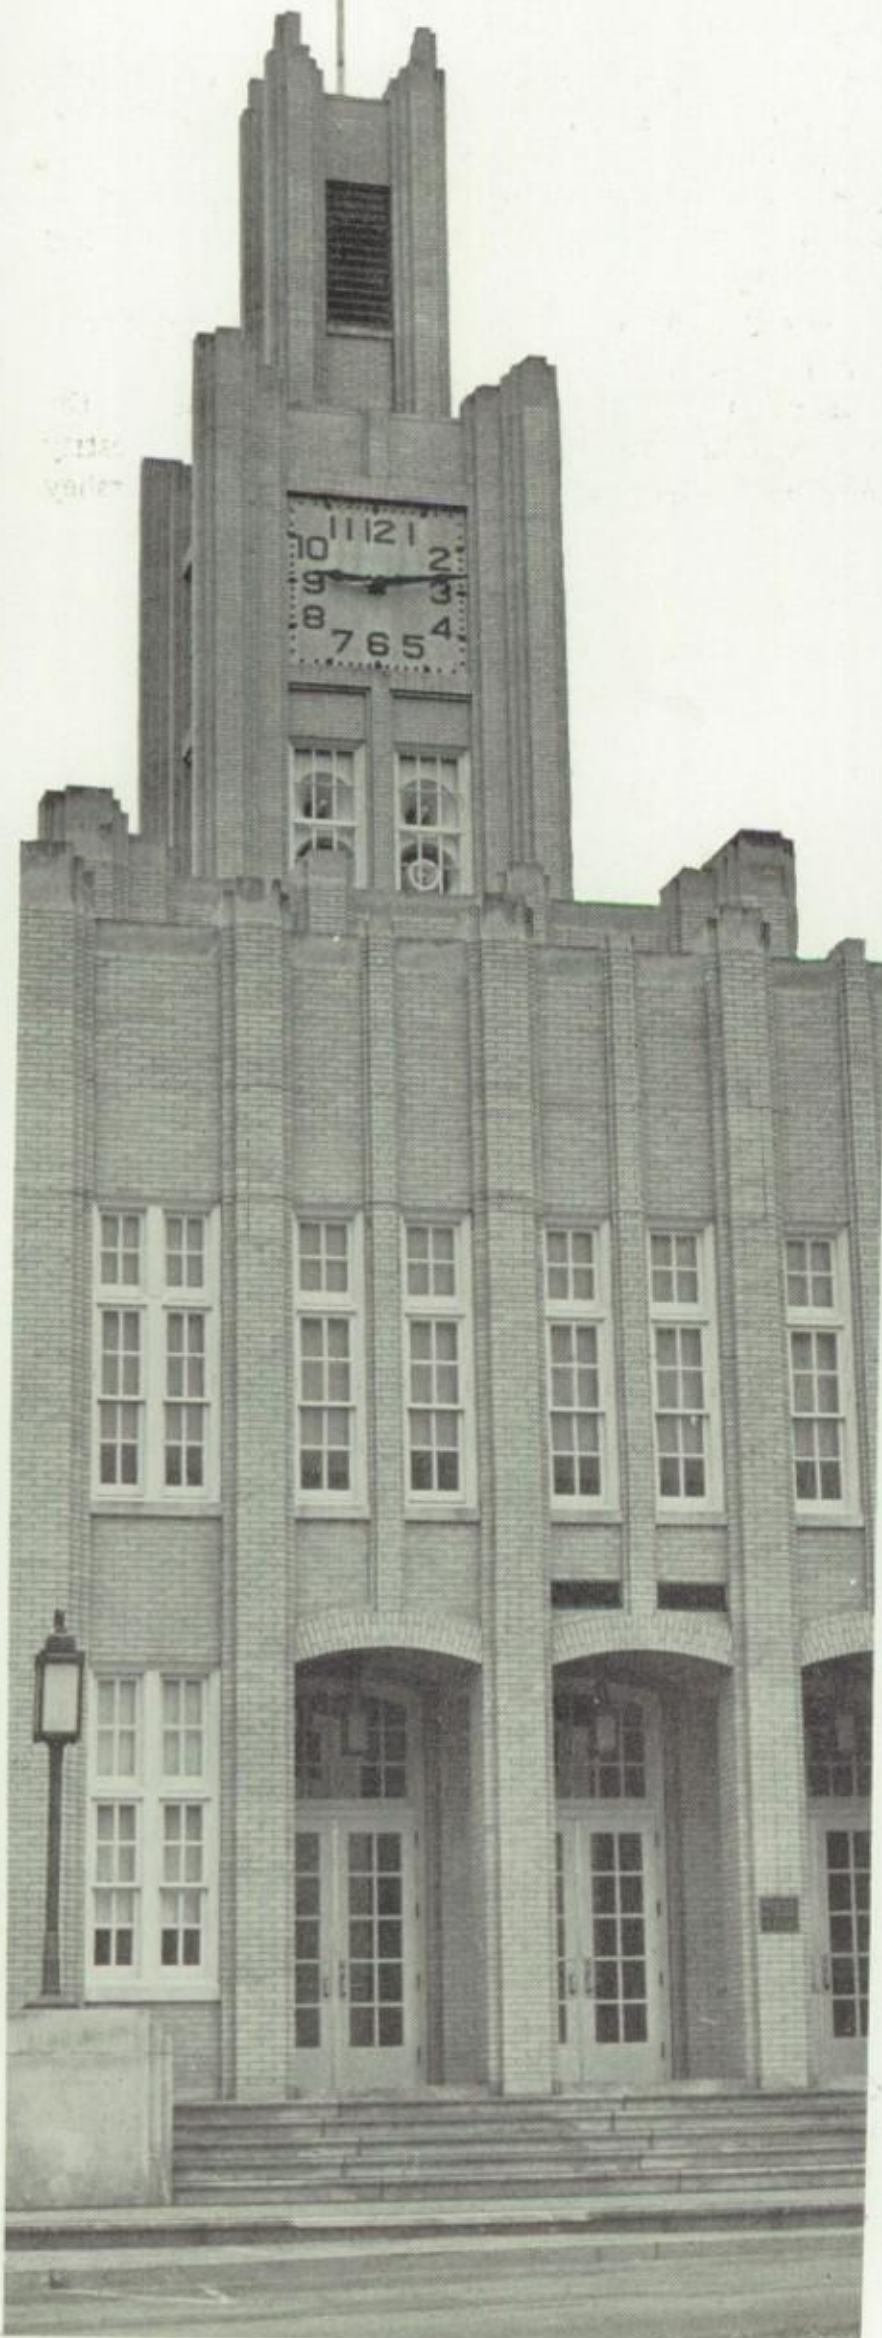

Dr. Hershey, Dr. Rudisill and Mr. Aichele Provide Strong Leadership

John M. Aichele '39 (vice-president and administrator of business affairs), Dr. Richard A. Rudisill (vice-president and headmaster), Dr. John O. Hershey (president).

Dr. John O. Hershey, President of our School and Chairman of the Board of Managers, has initiated many improvements over the past several years. Dr. Richard A. Rudisill, Headmaster and Vice-President, provides us with a smooth running system through his hard work. Mr. John M. Aichele, Vice-President and Administrator of Business Affairs, is a member of the School's 1939 graduating class and was voted Alumnus of the Year in 1974.

Mr. Fisher and Mr. Stump Skillfully Administer Education at Senior Hall

Carl E. Stump, assistant director of secondary education and William R. Fisher '50 director of secondary education.

Two words which would aptly describe Mr. William R. Fisher and Mr. Carl E. Stump would be efficiency and enthusiasm.

Mr. Fisher '50, Director of Secondary Education, is generally recognized as the major force behind Senior Hall's operation. He handles many of the problems which arise during the school year.

Mr. Stump, Assistant Director of Secondary Education, has among his many responsibilities the not-so-pleasant job of detentions, compiling of marking period results, and orientation of new teachers.

Retirees Leave Behind a True Spirit of Dedication

Alfred T. Gible

When one reviews a list of names of great contributors to Milton Hershey School, the name of Alfred T. Gible would appear high on that list. Mr. Gible tirelessly devoted the past forty-three and one-half years to the School.

Born in Annville, Pennsylvania, he was a graduate of Palmyra High School in 1928. After obtaining his B.S. Degree from Lebanon Valley College in 1932, Mr. Gible began his career at Milton Hershey School in August of 1932. From 1932 thru 1934 he taught junior high in the Community Building. From 1934 thru 1951 Mr. Gible taught physical education and began a coaching career which included varsity football, basketball, and baseball.

From 1951 up to 1975 he served in administration in the roles of Director of Homelife and retired as Director of Houseparent Staff.

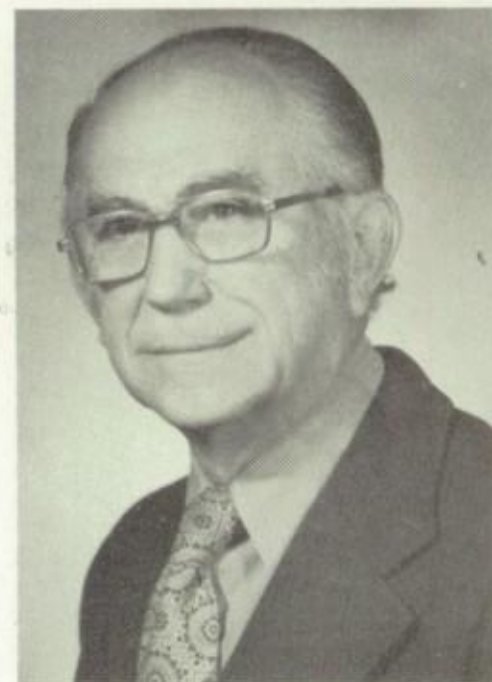

Words cannot adequately describe the contribution Mr. Gible has made to the School, but the many graduates who have benefitted from his guidance will testify to the fact we are saying good-bye to a great name in the history of Milton Hershey School.

For forty-two years George F. Sandel has given dedicated service in the areas of elementary and secondary education, thirty-nine of which have been spent in enriching the lives of Milton Hershey students.

Mr. Sandel was born on September 18, 1911, at Winfield, Union County, Pennsylvania. After graduating from Sunbury High School in 1928, he obtained a B.A. Degree and an M.A. Degree from Bucknell University in 1932 and 1946, respectively. In 1966 he received an M.S. Degree in library science from Drexel University.

Mr. Sandel joined the School's faculty on September 1, 1937, as a teacher of sixth grade. In 1942 he moved to a position as an eighth grade English teacher and remained in that capacity until he entered the Army. In 1946 he returned to Milton Hershey and spent a total of thirty-two years in the classroom. From 1966 to the present, he has been the librarian at Catherine Hall.

Among Mr. Sandel's fondest memories are the eight years spent as adviser to The Spartan, and ten very satisfying years as Catherine Hall librarian.

George F. Sandel

Eleanor F. Wood

With the retirement of Eleanor Foltz Wood, Milton Hershey School loses one of its most dedicated and tireless employees. For the past fifteen years she has given devoted service to the boys as a nurse first at Senior Hall and then at Catherine Hall.

Mrs. Wood was born in Uniontown, Pennsylvania, on October 7, 1911. She graduated from the Uniontown Hospital Training School in 1931 and subsequently spent two years as an industrial nurse. On October 16, 1961, Mrs. Wood joined the staff at Senior Hall where she was a nurse for four years. In 1966, when Catherine Hall opened, she joined the nursing staff there where she has served for the past eleven years.

Among Mrs. Wood's fondest memories are the rewards of caring for the Milton Hershey boys, the growth and expansion of the School's campus, and above all, the opening of the new medical clinic at Catherine Hall in 1966.

Best wishes are extended to Mrs. Wood for a happy and healthy retirement.

For thirty-eight and one-half years, Robert K. Schelhorn gave dedicated service to the boys of Milton Hershey School as the Carpentry Instructor in "Shop 6" at Senior Hall.

Born on April 10, 1912, in Philadelphia, Pa., his family moved later to Lansdowne, Pa., where Mr. Schelhorn attended Lansdowne High School. He was later selected for Williamson Trade School from which he is a graduate, and later he attended Penn State University and the University of Pennsylvania.

Joining the faculty of Hershey Industrial School on January 15, 1937, Mr. Schelhorn has completed a distinguished career in which he was highly respected by all who knew him. His skills as an instructor in carpentry have benefitted the community where, for more than a decade, he participated in the evening program at Derry Township Senior High School.

We take this opportunity to wish Mr. Schelhorn a happy retirement.

Robert K. Schelhorn

Phyllis M. Baugher

Phyllis M. Baugher retires after giving twenty-five years of teaching dedication to the boys of the Junior Division as a teacher of second and fourth grades.

Mrs. Baugher was born in 1912 in Harrisonburg, Virginia. After attending Madison College in Harrisonburg, Virginia, she was a teacher in the Virginia public schools.

In 1915 Mrs. Baugher brought her pedagogical skill to Milton Hershey School's Junior Division. She taught second grade for ten years and fourth grade for fifteen years with a skill and dedication which has had a profound effect on the young lives she has touched.

Congratulations are extended to Mrs. Baugher on her retirement from a distinguished career.

During the past thirty-one years, John E. Fox gave of himself to the boys of Milton Hershey School as instructor first in Latin and then as a member of the Senior Hall English Department.

He was born on April 1, 1913, in Harrisburg, Pennsylvania. Educationally, Mr. Fox first attended The Harrisburg Academy and later The Berkshire School in Sheffield, Massachusetts. For his higher education, he matriculated at Williams College in Williamstown, Massachusetts and later received his A.B. Degree from Lafayette College in Easton, Pennsylvania.

Mr. Fox came to Milton Hershey School in 1944 as teacher of ninth and tenth grade Latin and teacher of English to ninth grade. When Latin was taken out of the course of study at Senior Hall, he continued as an instructor of ninth grade English and has retired in that capacity.

One of Mr. Fox's fondest memories concerns the many times Mr. Fisher '50, now Director of Secondary Education but a former student of Mr. Fox's, would challenge him to produce a more difficult sentence to diagram and analyze.

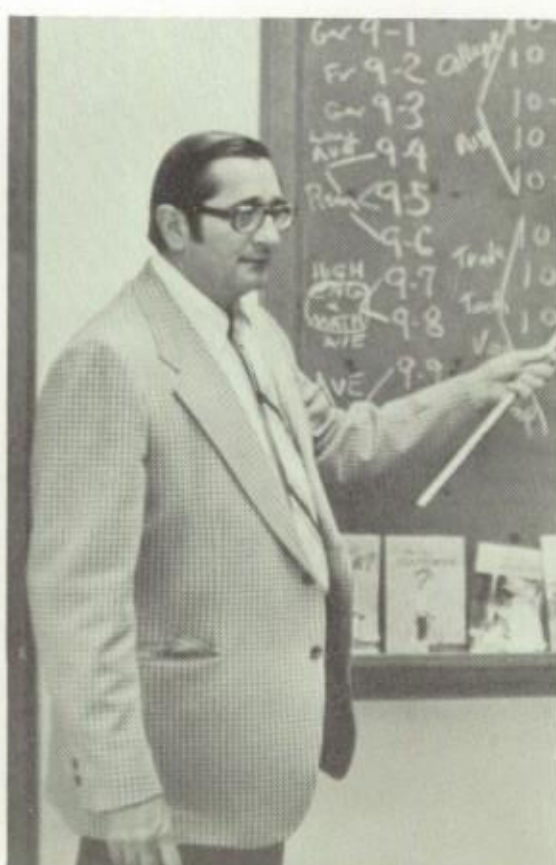

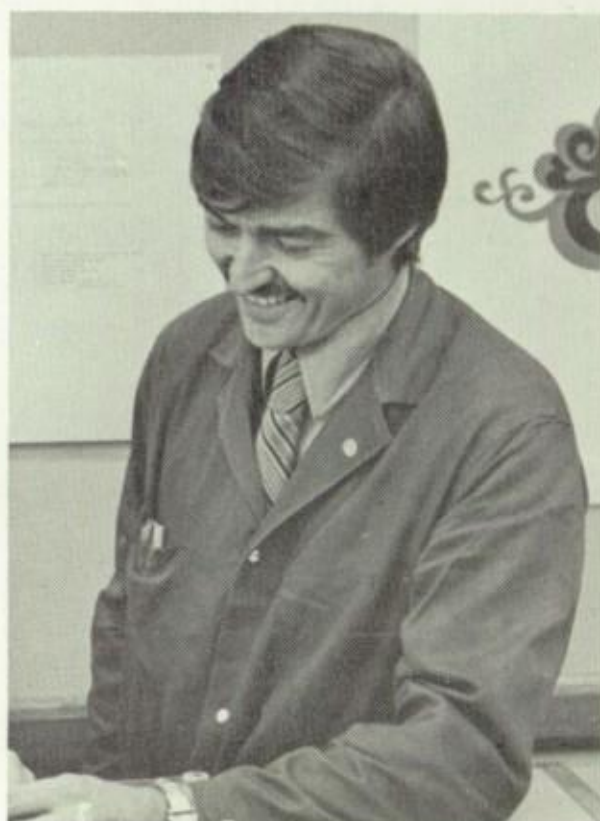

We wish Mr. Fox many happy years of retirement.

Mr. Hoover and Mr. Morgan Successfully Direct Educational Beginnings

MEMORIAL HALL DIRECTORS— William A. Hoover, director; Lloyd M. Morgan '49, assistant director.

Sympathetic understanding of the problems facing the young boys who are enrolled in the Junior Division of Milton Hershey School characterizes William A. Hoover, director of the Junior Division, and Lloyd M. Morgan '49, administrative assistant. These men have helped many of our boys grasp the fundamentals needed in adjusting to the Intermediate Division way of life.

Our Homelife Directors and Staff Supply A Stimulating Homelife Program

When Milton Hershey signed the Deed of Trust, he did so with the idea of providing as normal and warm a homelife as possible for his boys. Responsibility for providing this warm, homelike atmosphere where each boy strives for personal and social maturity rests mainly in the hands of the Homelife Staff. The interviewing, procurement and training of houseparents, and the coordinating of the educational with home programs are also responsibilities of these staff members whose contributions play an important role in the program of our School.

Class Song

High towering mountains, fields gold with grain,
Rich fertile farmlands, flocks on the plain,
Homes blest with peace, with love, without fears,
This is the heritage we've kept through the years.
Stout hearts and true, hold fast what is ours;
God give us courage through darkest hours;
God give us strength and guide with thy hand,
America, Our heritage, Our home...land.

Wide rolling prairies, Lakes, deep and broad,
Canyons majestic, fashioned by God;
Life lived in peace, contented and free;
This is the heritage forever to be.
Stout hearts and true, hold fast what is ours,
God give us courage through darkest hours,
God give us strength and guide with thy hand,
America, Our heritage, Our homeland.

ACTIVITIES

hen men are employed, they are best contented; for on the days they worked they were good-natured and cheerful, and, with the consciousness of having done a good day's work, they spend the evening jollily; but on our idle days they were mutinous and quarrelsome.

The Spartan Orchestra Provides Opportunities for Musical Creativity

Under the expert leadership of director William A. Grove, the Spartan Orchestra is unquestionably one of the finest musical organizations of its kind in the area. Because of their hard work and dedication, they reach near perfection and are much sought after by other schools and organizations.

Once again this year they entered the Central Pennsylvania Stage Band Competition where, once again, they brought credit to themselves and the School.

The Varsity Band Perpetuates the American Musical Tradition

At any school, a band is one of the most important activities. When sent out to perform elsewhere, their performance is a reflection on the School itself. Under the direction of bandmaster Ray B. Miller, the band has always been a great representative of Milton Hershey School. Mr. Miller begins in the summer of each year with the remnants of the preceding year's band and incorporates incoming freshmen into the openings left by graduates. The result is always positive; our band is one of the best in the area. This unit performs at halftime and before games during football season. They also take part in parades and other functions during the year.

Our Senates Learn the Importance of Leadership and Cooperation

Adhering to America's heritage, the Student Senate conveys the old ideal of equal representation in legislation. An elected representative from each student home attends each meeting to search for answers to alleviate current problems and to relay ideas of students to the administrative staff. A by-product of participation by Senate members is gaining practical knowledge of the operation of our government.

The Spartan Chapter of the National Honor Society recognizes those young men in our school who show the outstanding qualities of character, scholarship, leadership and service. To become a member, a unanimous vote of the faculty, houseparents and administrators must be received by a member of the senior or junior class.

They Represent the Ultimate in Character, Leadership and Scholarship

Our school's Headmaster's Society is composed of members who have attained extremely high standards of personal and social maturity. Membership is very difficult to obtain since houseparents, homelife, and a two-thirds majority vote of approval from its members are all necessary requirements.

A Perspective of the Year is Presented by the Acropolis

Few people realize how much work is put into the production of our **Acropolis**. This project actually begins at the end of the preceding school year. It is no easy task. Many teachers and students work long hours to produce this yearbook, unique in itself because it is done completely at the school with no outside help, save that of William's Studio, which takes the senior portraits. The result of this combined effort is an overview of the entire school year. By it everyone can remember the high points of the year. In the future, it can also serve as a memento. Those involved with its production in particular can look back and remember the amount of work involved.

The Spartan Allows for Efforts in Creative Writing and Points of View

Six times during the school year a new and interesting copy of **The Spartan** is published. Being totally produced by members of the student body, **The Spartan** has received various awards presented by the Columbia Press Association. This school magazine features not only the latest news but also a large variety of human interest stories and an up date on the latest happenings at Senior Hall. Mr. Altland and his staff work diligently throughout the year to bring quality literature to the students and subscribers. **The Spartan** is one example of the right to freedom of the press which is enjoyed in America.

They Further America's Heritage in Dramatics

This year the Spartan Chapters of the ITS and PHSSL continued to bring pride and honor to our school. They presented three plays and entered area competition with one of these. A spring tour was done with a children's theatre presentation. Many speech competitions were entered this year with the highlight of the year being the Bicentennial Youth Debates in September.

Capital Area League Champions!

Under the expert coaching of Edward B. Ruth and the strong leadership of co-captains Randy Howell and Bruce Woodcraft, this year's team outclassed the rest of the CAC with an enviable 9-0 record.

Along with the already mentioned co-captains, Jeff Tomecek, John Udre, and Carl Jones were top runners for our conference champions. Tomecek set our school and course record (15:30) as well as the Conference Meet record and course records at Hershey High, Middletown, Lower Dauphin, and Mechanicsburg; he will be back next year.

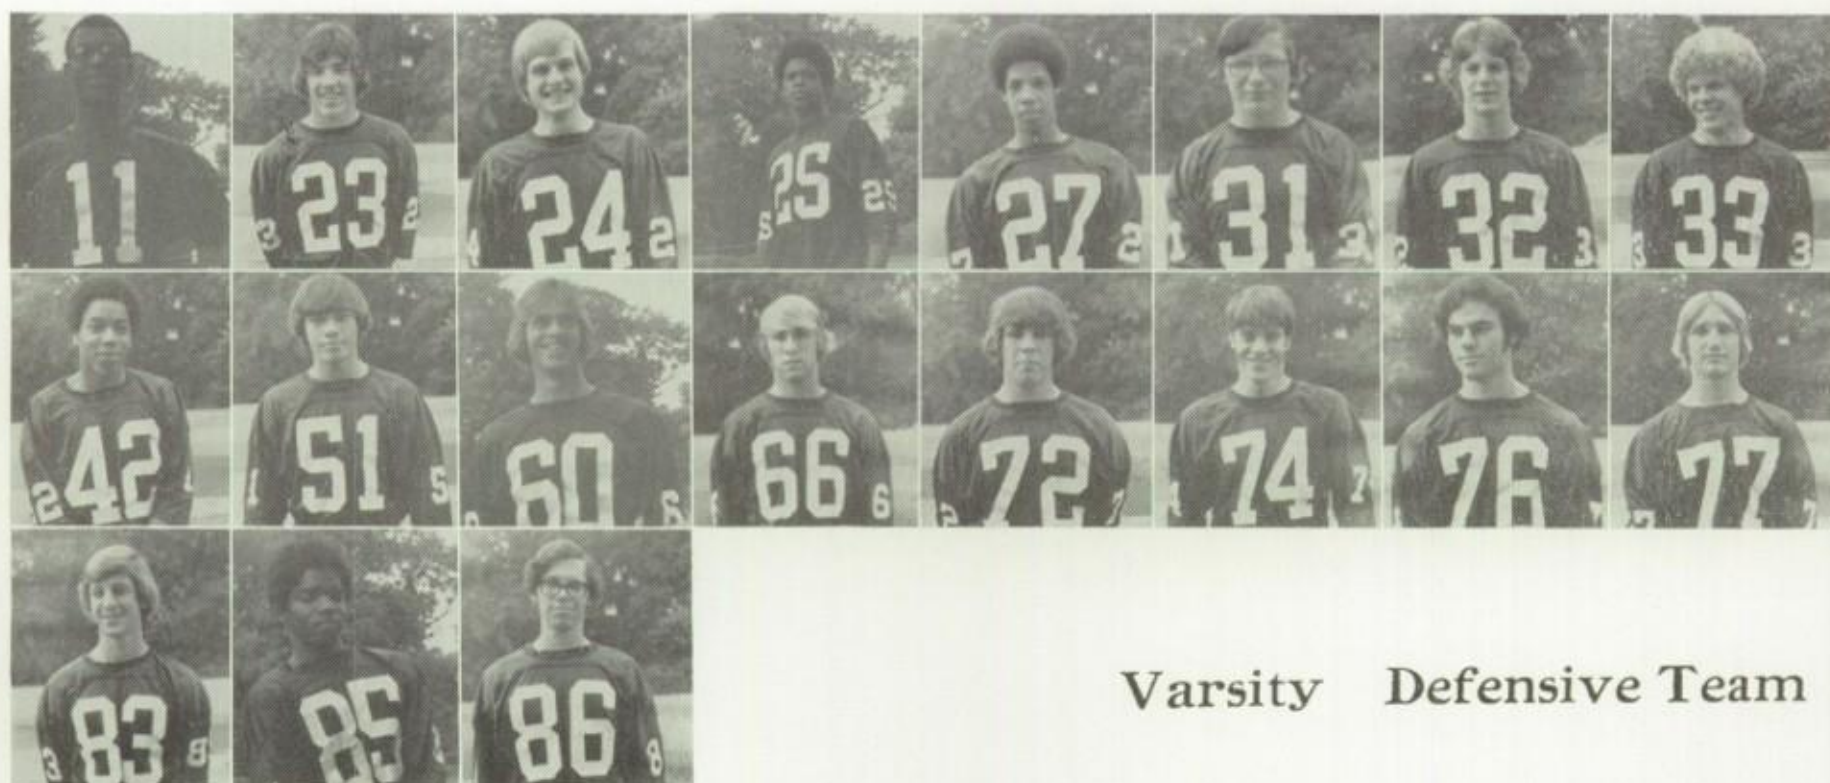

Other highlights were the winning of the Conference Meet, League Duel Meet, L.V.C. Invitational, the Hereford County Invitational in which we defeated the Maryland State Champs, and the Dauphin County Championship. In addition, Jeff Tomecek qualified in the District III meet and the P.I.A.A. State Meet and finished a remarkable tenth. Also, Randy Howell finished 12th in the District III Meet.

The student body and staff are proud of our Cross Country Team's accomplishments.

Now in his third year (20-8-1) as head football coach, Ken Snyder led the Spartans to their fifth straight winning season with an admirable 7-2 record and second place in the CAC.

Offensively, the Spartans were led by quarterback Bob Potts who passed for 780 yards including 11 touchdowns, and Jim Hall who rushed for 899 yards. There was a fine group of receivers led by Mike Baer who caught 12 passes for 297 yards and 7 touchdowns, and Dave Brewer who caught 12 passes for 222 yards and 4 touchdowns.

Defensively, the team was led by Gerry Hermann who had 36 tackles and 40 assists, and Vic Hill who had 5 interceptions. Other defensive stand-outs were Duane Arnold, Greg Boake, Mike Hernandez, Art Spiece, Ken Wilder, and Marv Klinger.

The highlight of the season was the total domination over Hershey in the Cocoa Bean Game.

Record: 5 wins		3 losses	

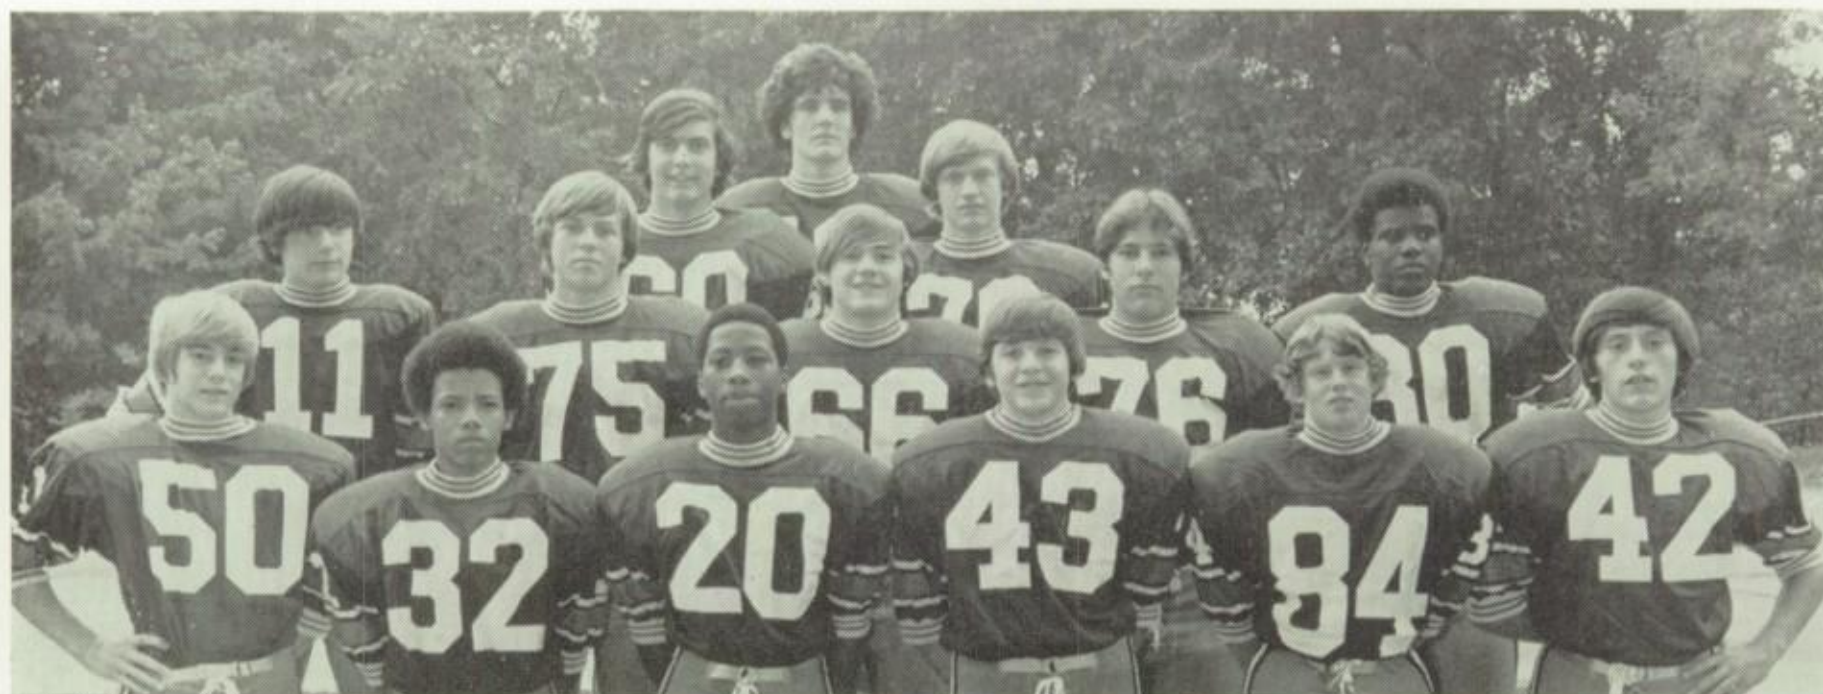

The junior varsity football team did very well this year, achieving a winning record against some stiff competition.

The running attack was strong with Don Poole at quarterback and Clarence Norwood and Joe Thompson at running backs. Also, there were two fine receivers in Bobby Lynn and Doug Horsefield.

The defense was also strong with outstanding Spartans like Dennis Horsefield, Joe Kennedy, Pat Lister, Joe Lister, Dan Durham, and Gene Eldridge.

The highpoints of the season were the defeats of Harrisburg and Susquehanna. Coach Hoerner has produced players who will help the varsity greatly next year.

29	Linglestown	22	14
Record:	2 wins 3 losses 1 tie		

The freshman football team spent a strong building year in which all games were hotly contested and resulted in close scores in most cases. Coach Ken Sharp is sending on some very strong players for the future.

The offense was led by Joe Vanderslice who is an excellent passer. Don Baldwin at tailback carried the ball for an impressive 4.36 per yard average, and Art Rowell, fulback, rushed for a 7.71 per yard average. Flanker Ken Bergman, right guard Gene Krug, and left tackle Ron DiBetta were also offensive stand-outs.

On defense Larry Hazelwood, middle guard, led the way with most sacks of the quarterback, and Eric Jenkins was strong at defensive end.

The highlight of the season was the defeat of a strong Linglestown team 22-14 in which Vanderslice threw 7 for 8 completions and 1 touchdown.

The Varsity Basketball Team Showcases Spartan Talent

The 1975-76 Varsity Basketball Team had a difficult season. The less-than-impressive 8-13 record does not indicate such factors as a much improved team in the second half or four losses by four or less points. When the varsity had it together, they were as tough an aggregation as you could find in the Capital Area Conference.

The loss of excellent seniors like Dave Brewer, Greg Boake, Vic Hill and Mike Halbleib will be heavily felt, but there are four returning starters and two returning reserves. In addition, the varsity ranks will be filled by some fine junior varsity players.

In Memoriam

Harold E. Hoerner, Plumbing Instructor 1957-1975

Mr. Hoerner was enrolled in Milton Hershey School in 1935 and graduated in 1944. He returned to his Alma Mater as a plumbing instructor in August of 1957. Our remembrance of his years of service as a teacher and friend of the boys will long be cherished in the minds and hearts of those who worked in his shop and those who were his friends and associates.

Sunset and evening star,
And one clear call for me!
And may there be no moaning of the bar,
When I put out to sea,

Alfred Lord Tennyson

The 1976 Acropolis represents the efforts and skills of the staff members and the advisers. Except for the professional photography done by William's Studio, the content of the yearbook is a product of the students of Milton Hershey School.

May America and the Spirit which lit her torch of Freedom endure for another 200 years.
